January 21, 2016
6:45 P.M.
Green County Court House - Monroe WI

Present: Committee Chairman Wolfe; Supervisors Wiegel and Heimann, Highway Commissioner Tom Jean; Larry Ludlum, and Paul McCarville.

The meeting was called to order at 6:45 p.m. by Mr. Wolfe. He asked if the meeting was properly posted. Tom Jean verified the meeting was posted at the Courthouse, the Darlington Municipal Building, the Lafayette County Highway Office and on the county website.

Motion by Mr. Wiegel, second by Mr. Heimann to approve the agenda as presented. Voice vote, motion carried.

Mr. Wolfe said he would like a correction added to the minutes of the Dec. 3, 2015 meeting. Mr. Wolfe felt that rather than reading that there are 76 state approved club trails it should read: **Right now there are 92.5 miles of State approved Club trails.** The paragraph should read as follows:

Re-Identifying State Approved Snowmobile Club Trails in Lafayette County: A new map of the snowmobile trails was created and reviewed. **Right now there are 92.5 miles of State approved Club trails.** ~~Right now there are 76 state approved club trails.~~ It was decided to approve the following miles to be included **in the description:** Yellowstone Lake to 5 corners – 11 miles; Argyle to Green County line – 4.6 miles and Darlington to Super 8 – 3.2 miles.

Motion by Mr. Wiegel, second by Mr. Wolfe to approve the minutes of the Dec. 3, 2015 meeting with changes. Voice vote, motion carried.

Highway Commissioner, Tom Jean explained to the committee that the group that has been working on the development of the Belmont to Platteville bike/pedestrian trail has received an agreement from the WI DNR to swap land to relocate the proposed trail from the existing Railroad corridor to a new segment of land along STH 151 along the South property line from the current landowners. The old RR corridor will be deeded to Lafayette County to be used in negotiations to secure the strip of land necessary to develop the new trail. In order to proceed with right of way acquisitions, a relocation order must be approved by each County, (Grant and Lafayette) and the new plat must also be approved. Following some discussion and explanation a motion by Mr. Heimann, second by Mr. Wiegel to approve both the relocation order and the plat for the Belmont to Platteville trail. Voice vote, motion carried.

Next meeting is at the call of the chairman.

Motion by Mr. Wiegel, second by Mr. Heimann to adjourn. Motion carried.
